

(2) Such time as the loss or damage should have been discovered by the claimant by the exercise of due diligence; or

(3) Such time as cause preventing filing no longer exists or as war or armed conflict ends, whichever is earlier, if a claim otherwise accrues during war or an armed conflict or has accrued within two years before war or an armed conflict begins, and for cause shown.

§ 15.22 Allowable claims.

(a) A claim may be allowed only if the property involved was being used incident to service with the Department and:

(1) The damage or loss was not caused wholly or partly by the negligent or wrongful act or omission of the claimant, his or her agent, the members of his or her family, or his or her private employee (the standard to be applied is that of reasonable care under the circumstances); and

(2) The possession of the property lost or damaged and the quantity and the quality possessed is determined to have been reasonable, useful or proper under the circumstances; and

(3) The claim is substantiated by proper and convincing evidence.

(b) Claims which are otherwise allowable under this subpart shall not be disallowed solely because the claimant was not the legal owner of the property for which the claim is made.

(c) Subject to the conditions in paragraph (a) of this section and the other provisions of this subpart, any claim for damage to, or loss, of personal property incident to service with the Department may be considered and allowed. For the purpose of subpart B of this part, an alternative work location at which an employee is performing duties pursuant to an approved Flexiplace agreement shall be considered an official duty station. The following are examples of the principal types of claims which may be allowed, but these examples are not exclusive and other types of claims may be allowed, unless hereinafter excluded:

(1) *Property or damage in quarters or other authorized places.* Claims may be allowable for damage to, or loss of, property arising from fire, flood, hurricane, other natural disaster, theft, or

other unusual occurrence, while such property is located at:

(i) Quarters within the 50 States or the District of Columbia that were assigned to the claimant or otherwise provided in kind by the United States; or

(ii) Quarters outside the 50 States and the District of Columbia that were occupied by the claimant, whether or not they were assigned or otherwise provided in kind by the United States, except when the claimant is a civilian employee who is a local inhabitant; or

(iii) Any warehouse, office, working area or other place (except quarters) authorized or apparently authorized for the reception or storage of property.

(2) *Transportation or travel losses.* Claims may be allowed for damage to, or loss of, property incident to transportation or storage pursuant to order or in connection with travel under orders, including property in the custody of a carrier, an agent or agency of the Government, or the claimant.

(3) *Mobile homes.* Claims may be allowed for damage to, or loss of, mobile homes and their contents under the provisions of paragraph (c)(2) of this section. Claims for structural damage to mobile homes, other than that caused by collision, and damage to contents of mobile homes resulting from such structural damage, must contain conclusive evidence that the damage was not caused by structural deficiency of the mobile home and that it was not overloaded. Claims for damage to, or loss of, tires mounted on mobile homes will not be allowed, except in cases of collision, theft or vandalism.

(4) *Enemy action or public service.* Claims may be allowed for damage to, or loss of, property as a direct consequence of:

(i) Enemy action or threat thereof, or combat, guerrilla, brigandage, or other belligerent activity, or unjust confiscation by a foreign power or its nationals.

(ii) Action by the claimant to quiet a civil disturbance or to alleviate a public disaster.

(iii) Efforts by the claimant to save human life or Government property.

(5) *Property used for the benefit of the Government.* Claims may be allowed for damage to, or loss, of property when

§ 15.23

used for the benefit of the Government at the request of, or with the knowledge and consent of superior authority.

(6) *Clothing and Accessories.* Claims may be allowed for damage to, or loss of, clothing and accessories customarily worn on the person, such as eyeglasses, hearing aids, or dentures.

(7) *Expenses incident to repair.* Claimants may be reimbursed for the payment of any sales tax incurred in connection with repairs to an item. The costs of obtaining estimates of repair (subject to the limitations set forth in § 15.14(c)) are also allowable.

§ 15.23 Restrictions on certain claims.

Claims of the type described in this section are only allowable subject to the restrictions noted:

(a) *Money or currency.* Claims may be allowed for loss of money or currency (which includes coin collections) only when lost incident to fire, flood, hurricane, other natural disaster, or by theft from quarters (as limited by § 15.22(c)(1)). In incidents of theft from quarters, it must be conclusively shown that the quarters were locked at the time of the theft. Reimbursement for loss of money or currency is limited to an amount which is determined to have been reasonable for the claimant to have had in his or her possession at the time of the loss.

(b) *Government property.* Claims may only be allowed for property owned by the United States for which the claimant is financially responsible to an agency of the Government other than the Department.

(c) *Estimate fees.* Claims may include fees paid to obtain estimates of repairs only when it is clear that an estimate could not have been obtained without paying a fee. In that case, the fee may be allowed only in an amount determined to be reasonable in relation to the value of the property or the cost of the repairs.

(d) *Automobiles and motor vehicles.* Claims may only be allowed for damage to, or loss of automobiles and other motor vehicles if:

(1) Such motor vehicles were required to be used for official Government business (official Government business, as used here, does not include travel, or parking incident thereto, between

29 CFR Subtitle A (7-1-12 Edition)

quarters and office, or use of vehicles for the convenience of the owner. However, it does include travel, and parking incident thereto, between quarters and an assigned place of duty specifically authorized by the employee's supervisor as being more advantageous to the Government); or

(2) Shipment of such motor vehicles was being furnished or provided by the Government, subject to the provisions of § 15.25.

(e) *Computers and Electronics.* Claims may be allowed for loss of, or damage to, cellular phones, fax machines, computers and related hardware and software only when lost or damaged incident to fire, flood, hurricane, other natural disaster, or by theft from quarters (as limited by § 15.22(c)(1)) or unless it is being shipped as a part of a change of duty station paid for by the Department. In incidents of theft from quarters, it must be conclusively shown that the quarters were locked at the time of the theft.

§ 15.24 Unallowable claims.

Claims are not allowable for the following:

(a) *Unassigned quarters in United States.* Property loss or damage in quarters occupied by the claimant within the 50 States or the District of Columbia that were not assigned to him or otherwise provided in kind by the United States.

(b) *Business property.* Property used for business or profit.

(c) *Unserviceable property.* Wornout or unserviceable property.

(d) *Illegal possession.* Property acquired, possessed or transferred in violation of the law or in violation of applicable regulations or directives.

(e) *Articles of extraordinary value.* Valuable articles, such as cameras, watches, jewelry, furs or other articles of extraordinary value. This prohibition does not apply to articles in the personal custody of the claimant or articles properly checked, if reasonable protection or security measures have been taken by claimant.

(f) *Intangible property.* Loss of property that has no extrinsic and marketable value but is merely representative or evidence of value, such as non-negotiable stock certificates, promissory
